

Helpful Hints to get started on building your Dream Sun Room

Step 1. Fill out Get Free Estimate on Contact Us page. Send a picture if possible with approximate dimensions of area.

Or just Call 401-438-2850 to speak to a design consultant.

Step 2. Set appointment for an In-house visit to measure and discuss design options, (approximately one hour) and receive FREE written quote from a Certified Design Consultant.

Step 3. Receive manufacturer's rebate and other special offers to lower cost at time of order.

Step 4. Design Consultant will draw the design of the room for final customer approval, secure all necessary town permits and verify permitting process with customer.

Step 5. Set Installation Day, (in most cases room is completed in 1 week)

Step 6. Design Consultant re-visits finished product to insure 100% customer satisfaction.

Step 7. Enjoy your SUNROOM.
